

Matrikel App - Download Guide

Step-by-step help for downloading the Matrikel App to your phone. (this guide is divided in to two different guides which works for iPhone and Android.)

Before You Start

Internet: Be connected to Wi-Fi or have mobile data turned on.

Apple ID / Google Account: Required to download the app.

iPhone (Apple)

1. Open App Store
 2. Search for the app ► type “Matrikel App”.
 3. Select the correct app
Find Matrikel App from the official publisher itn|vision.
- 
- The Matrikel App icon is a blue square with a white border. Inside the square is a blue stylized 'G' with a white dot above it, and two white diagonal lines crossing the 'G'.

Optional: Add shortcut to Home Screen
Press and hold the app icon ► choose Share ► Add to Home Screen (if relevant).

Done! You can now use Matrikel App.

Android (Samsung, OnePlus, Xiaomi, etc.)

1. Open Google Play Store
2. Search for the app
Tap the search bar ► type “Matrikel App”.

3. Select the correct app
Find Matrikel App from the official publisher itn|vision.
4. Tap Install ► wait until installation completes.
5. Open and log in. Tap Open ► allow requested permissions ► log in with your details if required.

Optional: Add shortcut

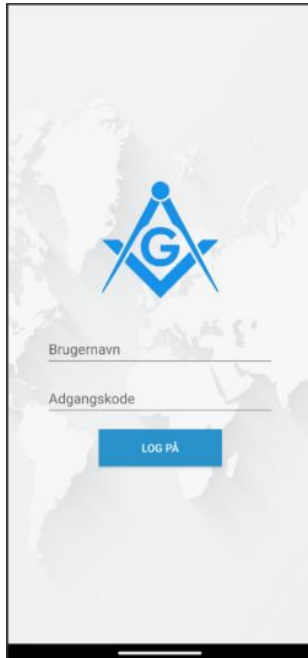

Drag the app from the app drawer to your home screen for quick access.

✅ Done! You can now use Matrikel App.

Log In to Matrikel App

When opening the app for the first time*:

1. Enter your username and password.

2. Once logged in, choose the relevant lodge.

3. Here, you can search for and view member profiles.

Profiles display the available personal details.

*Don't have a user account yet?

Only lodges registered in the Matrikel App are visible. Once a lodge is registered, the information about its brothers is displayed. Not all Masonic lodges are registered yet, but content is continuously being expanded.

Any further questions please contact php@northadvice.dk

Troubleshooting (Quick Fixes)

- Can't find the app: Check spelling: Matrikel App. Try with and without a space.
- Can't install: Low storage space. Delete unused apps/photos or restart your phone.
- App missing on home screen: Search for Matrikel on your phone. On Android it may be in the app drawer.

Frequently Asked Questions

What if I change my phone?

Log in with the same Apple ID/Google account on your new phone ► open App Store/Play Store ► search Matrikel App ► download again ► log in.

How do I update the app?

- iPhone: App Store ► Profile icon ► Update next to Matrikel App.
- Android: Play Store ► Profile icon ► Manage apps ► Update.
